

Daniel S. Kantz, D.O.

Dr. Kantz, resident of Indiana, father of three, animal farm and alpaca raising enthusiast, is the latest addition to the PMC Medical Team.

In addition to graduating top of his residency class at Michigan State University College of Osteopathic Medicine, Dr. Kantz brings an international perspective of compassionate care to Madison. He provided medical aid during mission trips to Haiti, and helped at the malaria clinic in Malawi, Africa. Dr. Kantz has been practicing medicine for 21 years. His specialties include primary and urgent care medicine. He is married to local Indiana veterinarian, Dr. Kristi Kantz. They are the proud parents of three children.

PMC Welcomes Dr. Kantz to the neighborhood.
